

How to find Tessera reexamination file histories on the USPTO website:

1. Go to www.uspto.gov
2. Click on the "eBusiness" link at the top of the page
3. Click on "Status & View Documents" in the Patents column (on the left)
4. Type in the two security words shown to get access to the system
5. In the Search for Applications column, click on the "Control Number" radio button and enter the control number (see below) into the box
6. You can view the status through "transaction history" tab and access documents via "image file wrapper" tab.
